Changing Lives...Impacting Eternity

Stuart family, we have a chance to make our One Life count for God and partner together as **we reach the Treasure Coast with the love and message of Jesus Christ!** Christ Fellowship is beginning the second year of a two-year campaign called One Life.

During the first year almost 4,000 families and individuals at all of our campuses gave over \$500,000 to launch our campus. Our campus now gets to jump in and financially support what God is doing in the Treasure Coast.

Please ask God to show you **how He wants you to invest in others** as we give sacrificially, above our regular tithes and offerings, to His work.

During this year your financial gifts will go toward:

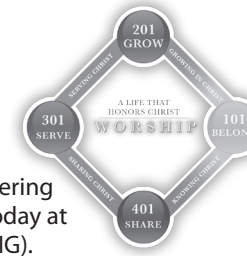

- Expanding into space available mid-week for High School, choir and other ministries,
- Purchasing the equipment required to connect us live each week to the other campuses, and
- Begin supporting our campus operations financially.
