

"RADICALL"

PART 3

MAY 15 & 16, 2010

IN A NUTSHELL

As we live our lives, **worship** needs to have its place in our busy schedule. Believers can and should worship God with all our heart and soul. God seeks true worshippers, and when we worship, we are friends of God. Men were created to worship God. It's our proper response to God, and our realization of God's holiness.

TALK IT OUT

1. We learn to worship by worshipping. Are you too busy to worship God? Do you personally worship the Lord? Discuss ways in which you can improve on how you worship and when you worship.
2. In **Revelation 4:8-11**, the Elders fell down before Him who sat on the throne, and worshipped Him, casting their crowns before the throne. What does this tell us about why worship so important?
3. Read **John 4:23-24**. Discuss with your group what it means to "worship God in spirit and truth."
4. Read **James 4:8** and discuss; Why is there so much power in our worship?

DRAW IT OUT

Jesus got up early and set apart time in his life here on earth to worship His Father. Paul and Silas and many others have also found the joy in worshipping God, no matter their circumstances. If we truly trust and rely on God it will help us to be more joyful in our worship, and we will do it more often. True worship is a lifestyle and it is an act of offering ourselves fully to God in all we do every day. When Jesus is all we have...then Jesus is all we need.
